

Building a Better Greene County

Greene County Neighbors Need Your Support

Friends,

I think you will agree that we have lived through quite a year. COVID-19 has tested us in more ways than we ever imagined. Yet, Habitat for Humanity continues to invest in the power of hope.

Our Greene County neighbors depend on us now more than ever before.

Decks and ramps are urgently needed for senior citizens so they can get out of their homes for medical appointments. Many of our projects involve reinforcing steps, decks and shoring up basic house structures that provide safe wheelchair access for homeowners and renters.

Due to the pandemic, this year we used small crews spread over more days to safely complete projects. Thus far in 2020 we helped 8 families and have 2 more repairs to complete before the end of the year.

We were especially honored to build a ramp for lifelong Greene County resident, Mr. John Taylor, an army veteran.

We need you to keep up the good work we are doing.

As winter approaches we will get calls for help from more Greene County neighbors. **You can join us by making a donation to support the purchase of much-needed supplies to fix steps, doorways, and ramps for hard-working folks in our community.**

We hope you will consider a gift of any size— **\$100, \$50, \$25, \$10**— so we can serve more families in the months to come. Your generosity will directly impact and improve the lives of locals that are in need.

On behalf of Habitat for Humanity, we wish you continued good health through the pandemic and beyond.

Gratefully,

Bruce Seger, Rusty Burwell, Chuck Lewis

P.S. Don't forget! The CARES Act allows for up to \$300 in charitable contributions to qualify as an above-the-line deduction, meaning you don't have to itemize deductions in order to claim the \$300 as a deduction. Qualifying donations must be made in cash or cash equivalents (as opposed to stock, for example).
